Dave Godfrey (Limey) President

- Addressed Thomas (Doc) Wise regarding items donated from the Tyler Chapter to the rally for action. (This became a very heated discussion and involved all 18 members at this meeting)
- After the shit show died down some it was agreed by Limey and Doc that this was a problem National needed to be involved in.
- Fat Kat stated that it may be time to restructure the rally and pass the torch to other Chapters.
- Limey let the club know Nancy Cialis approached him at the rally about coming back into RRMC and getting her patches back. (This was not heated by very quick and allot of opinions)
 - Buzzard brought up Pro's vs Conn's and wanted to know why she quit and why she wanted to come back.

- Dirty Bird mentioned he would like to vote Nancy back in, and Limey let everyone know it would not be brought to a vote today and was just letting everyone know this discussion would be happening with all officers.
- Dirty Bird put a motion on the floor to bring Nancy back as a full patch member.
- Limey reminded everyone this would not happen at this meeting. And this is where it gets a little cloudy on how fast this shit went south.
- Slo Hand, Gator, Dirty Bird, Buzzard and Flaco was the most vocal in this argument and all compared this situation to the issue with Festus and basically accused the officers as trying to strong arm this out.
- Kavin (Hot Shot) Hanz second Dirty Birds motion to bring her back.
- Limey stated this is uncharted waters and would not be voted on at this meeting.
- Slo Hand, Flaco and Buzzard requested that Limey and myself review the bylaws about motions at meetings.
- Limey and myself reviewed the bylaws and found that according to *"Section V: Monthly Meetings #2. A Quorum for any monthly meeting shall be at least 10% of the current Members on the Club's rolls at the time of the meeting and #3. Closing prayer by Dave Godfrey (Limey) President

May the angels of our brothers and sisters who have gone before us, guard our travels, for they know the perils of the road ahead.

May our tires not fail us or our engines grow old. Keep our seats soft and our minds sharp.

Let the air of the road breathe life into our souls to journey into another adventure alongside our brothers and sisters.—Amen.
