National News

- 2025 Rally will be a National Rally. Satch is heading up this effort and looking for committee members. A change in venue is being considered.

- If you have a Hang Around and vote to make him a prospect, Sarg needs a copy of his hang around information sheet. Background checks are required on all potential members before starting their journey.
- In an effort to protect our members more we need to be mindful for members that might have had too much to drink or not in the right shape to ride and ask for their keys. Members will adhere to the suggestions of their brothers or jeopardize losing your patch. We do not want to lose any more members because they were in a bad way and we did not step in.
- Midland house keeping items have been closed internally. National is content with how it was handled.
